Teacher Information

The reproducible pages on this CD supplement the daily lessons in *SPELLING 6 TEACHER'S EDITION*, Second Edition. And since each teaching situation is different, these pages are provided to help you meet your student's needs. The Teacher's Toolkit CD contains several sections. These include a letter to parents, assessment and test forms, a study method, spelling lists for parents, and instructional aids. Review pages, activities and games, and supplemental writing activities are also included. All these materials may be printed for homeschool or classroom use.

Letter to Parents

The reproducible letter introduces parents to the features of the *Spelling 6* program.

Weekly Forms

Forms are available for pretests, practice tests, and final tests.

List Spelling Words

Pattern Words appear sorted by spelling patterns, suffix rules, or syllable patterns. Review words are also listed.

Learn to Spell a Word

A chart and a form are available for teaching the five-step multisensory study method. See Appendix page A19 in the Teacher's Edition for an instructional guide.

Word Sorts

Each Word Sort page found in this section is identical to the first Worktext page for each spelling list. These pages are available for the teacher to use to model the sorting process as the lesson is completed.

Alternate Final Tests

Each Alternate Final Test includes the list of spelling words presented in a different order from the Practice Test, a different context sentence for each spelling word, and the same two dictation sentences given under Day 5 in the Teacher's Edition.

List Reviews

List Review worksheets incorporate selected words from two spelling lists: the current list and the previous list. For example, List Review 2 includes words from List 1 and List 2. These pages may be used to provide practice during the week of the current list or as a cumulative review at a later time.

List Reviews Answers

An answer page for each List Review is available.

Instructional Aids

Teaching visuals and student worksheets needed to teach the lessons are organized by list number. For example, all the items needed for List 1 are found under the heading *List 1*.

Instructional Aids Answers

An answer page is available for each Instructional Aid requiring answers.

Activities and Games

Preparation and procedures are included for activities and games that reinforce spelling patterns and list words. The activities are labeled according to the appropriate list(s).

Writing Activities

Writing prompts are provided to assist in strengthening the application of spelling skills.
