

Bible Truths 6 Teacher's Toolkit CD

Visuals

The PDFs in this section are copies of the 12 ½" × 18" charts, maps, and timelines in the Teacher's Visuals Packet (sold separately). This section is intended primarily for teacher reference, but copies may be printed out for classroom use. For best results, use a color printer and heavy paper or cardstock. Due to copyright restrictions, the Teaching Charts, Masterworks, and God's Word Charts are printable but cannot be copied and pasted into presentation software. The General Chart, Maps, Timelines, and Bible Book Cards may be printed and pasted into presentation software.

- **General (Chart 1):** The Bible reading H.A.B.I.T. acrostic
- **Teaching Charts (Charts 2–6):** Reproductions of selected pages from the Student Worktext (may be printed out or projected for display in the classroom; but images may not be copied into other software programs)
- **Masterworks (Charts 7–16):** Artistic renditions of biblical events (with artist information and a description of each painting)
- **God's Word Charts (Charts 17–26):** Charts group sections of Bible books together, stating a theme for each book
- **Maps (Charts 27–38):** One world map and various maps of Palestine and the Roman Empire
- **Timelines (and picture cards):** A historical timeline showing selected events and individuals from Bible times up to the present; a two-page spread of the events from the crucifixion up to eternity to pinpoint key events
- **Bible Book Cards:** Large and small flash cards of the names of the books of the Bible

(For a complete list of all the visuals, see the next page.)

Let God's Word **LIGHT** *Your Way*

Have a time set aside each day to read the Bible.

Ask God to teach you from His Word.

Be still and give your attention to what you are reading.

Investigate the Scripture by asking yourself questions about it.

Take time to look up words and ideas you don't understand.
